The Hellenic PATRIOT Upgrade Program

starts at INTRACOM DEFENSE

Koropi-Greece, Feb. 14th, 2022: The kick-off meeting for the Hellenic PATRIOT upgrade program, hosted by INTRACOM DEFENSE – IDE on February 9th, 2022, was successfully concluded with the participation of the Hellenic Air Force, the NSPA (NATO Support and Procurement Agency) and IDE executives.

All parties expressed their satisfaction for the outcome of the meeting, which aimed to set the foundations for the successful implementation of the program.

This program includes the installation, integration of hardware modifications and operational tests with the latest software for the engagement control, coordination and communication shelters (ECS, ICC, CRG) in all Hellenic PATRIOT battalions. It comes in continuation of the broad industrial participation of IDE in the Hellenic PATRIOT program.
